■ Welcome

Welcome to the SoftLayer® CloudLayer™ Storage FastStart Program. We developed the FastStart Program to help you easily create and offer your customers your own fully-branded CloudLayer Storage solution. You have complete control with little technical effort. The program covers all technical aspects such as billing and authentication and offers many branding options. It also provides additional sales and marketing components to facilitate and accelerate your customers' adoption. You are only a few short steps from a fully deployable, branded storage solution.

■ Key Features

- Fully-branded web interface and native Windows® and mobile device clients
- Dedicated SoftLayer account manager
- Regularly scheduled weekly meetings during roll-out phase
- Full 2nd line support from SoftLayer to ensure reliability and service
- Inclusion in the Mezeo Alliance Program
- Pre-built marketing templates for quick and easy custom launches
- Pre-built marketing and launch campaign, including launch press release and two end-user studies
- Preferred reseller pricing
